Dear Camper,

Thank you for your interest in our Bags for Bucks Program and for challenging yourself to get involved in a beneficial cause. At WB Surf Camp, we strive to make a positive impact in our local community and those that we visit in our travel camps. All of our summer programs have a community service component, most of which are based on environmental protection and restoration. In order to foster environmental integrity in your area, we are challenging you to give back and be rewarded for your efforts through the Bags for Bucks Program.

The first step is to identify friends, family members, and/or local businesses that are willing to sponsor you. These sponsors will assign a dollar amount to each bag of trash you will be collecting. For instance, if your Aunt Sally sponsors you at \$5 a bag and you collect 15 bags of trash, then she will give you \$75 towards your camp tuition! The amount of compensation is entirely at your sponsor's discretion. They can either sponsor you per bag collected, or set a target quantity (i.e. if you collect 10 bags, you get \$100).

The next step is for you to identify a local public area (or areas) to adopt for trash clean-up. We ask that you avoid public roads, due to safety concerns. Over the course of the next several weeks or months, you will collect trash in that area. Use the enclosed Tracker Form to log each bag of trash you collect. You also need to photograph yourself with each bag collected and post it to our Facebook page. While not required, we encourage students to recycle any trash deemed recyclable.

The deadline for the completion of this program is May 1st. We ask that you mail all your sponsor donations, along with your completed Trash Tracker Form, to the attention of Bookkeeping. We will then apply the total to your camp invoice balance. The mailing address is:

WB Surf Camp
Attn: Bookkeeping
7213 Ogden Business Lane
Suite 214
Wilmington, NC 28411

Here are the required items:

- Paper grocery bags (no plastic, please)
- Sponsor sheet (attached)
- Camera
- Access to a computer and our Facebook Page: <http://www.facebook.com/surfcamps>

With your hard work, you will make a difference in your community, the health of the planet, and be on your way to attending WB Surf Camp!

Thank you for your participation!

Dani DiIullo
Program Coordinator
