Sponsor Page

Dear Potential Sponsor,

Thank you for your interest in WB Surf Camp's Bags for Bucks Program and for helping children and teens get involved in a beneficial cause!

At WB Surf Camp, we strive to make a positive impact in our local community and those that we visit in our travel camps. All of our summer programs have a community service component, most of which are based on environmental protection and restoration. In order to foster environmental integrity in your area, we are challenging campers to give back through our Bags for Bucks Program.

We are asking students to identify a safe, local public area to adopt. Over the course of weeks or months, they will collect trash within that community. As their sponsor, you will assign a dollar amount to each bag of trash they collect. Compensation is entirely at your discretion. You can either pay per bag, or set a target quantity (i.e. if they collect 10 bags they get \$100). The student will then use that money to put towards their camp tuition for a life-changing week with us at WB Surf Camp.

We encourage students to recycle any trash deemed recyclable. Students will also post photos of the trash they collect to our Facebook page. We encourage you to check it out here: <http://www.facebook.com/surfcamps>.

With your generous sponsorship, your student will help make a difference in your community and the health of the planet!

Thanks for your support!

Dani DiIullo
Program Coordinator
