Bags for Bucks:

Bags for Bucks is a community based initiative that we have created to help promote environmental awareness. This program offers students the ability to create positive change in their neighborhood through the simple act of cleaning up litter and recycling the waste. Participation in the Bags for Bucks program is a requirement for all scholarship *recipients*. If your student is selected as a scholarship recipient, we will send you the required forms and instructions on how to log their progress.

If awarded a financial scholarship of any kind, I agree to complete the *Bags for Bucks* program and to write a five hundred word article about my experience for our newsletter. This article must be sent to WB Surf Camp no later than two weeks after your attended session.

I agree to these terms. Camper Name: _____ Camper Initials: _____
